

Sunday, March 19th 2023, Fourth Sunday in Lent.

Today in Sunday School we talked about the trinity. We talked about God as the father, Jesus as the son, and what the Holy Ghost meant. To demonstrate the 3-in-1 concept and to celebrate St. Patrick's day, we made clover petals out of green construction paper, and taped them together to make a three-leaf clover. Each petal is both independent and part of the whole.
